

Factiva's vast database of news and information from nearly 33,000 global sources, in 28 languages, is unrivaled in its breadth and depth.

Spanning both traditional and social media, our content set drills deep by region, industry and type. Factiva is the only archive service that offers the combination of licensed Dow Jones, News Corp and Reuters content, together in one place, and many key sources are not available on the free web.

Factiva content from **Europe, Middle East and Africa** includes:

- + More than 8,200 active sources
- + 3,300 full text licensed sources
- + 4,600 web sources and blogs
- + All national newspapers available for most countries
- + Most major regional newspapers
- + Most major business publications and general interest magazines
- + Comprehensive newswire coverage
- + Extensive collection of industry / trade publications
- + Archive of 30+ years for several key sources
- + Content in 22 languages
