

**Factiva's vast database of news and information from nearly 33,000 global sources, in 28 languages, is unrivaled in its breadth and depth.**

Spanning both traditional and social media, our content set drills deep by region, industry and type. Factiva is the only archive service that offers the combination of licensed Dow Jones, News Corp and Reuters content, together in one place, and many key sources are not available on the free web.

---

Factiva content from **North America** includes:

- + More than 12,000 active sources
- + 2,200 full-text licensed sources
- + 9,100 web sources & blogs
- + All national newspapers available
- + Most major business publications & general interest magazines
- + Most major regional newspapers
- + Comprehensive newswire coverage
- + Extensive collection of industry / trade publications
- + Archive of 30+ years for several key sources
