

Factiva's vast database of news and information from nearly 33,000 global sources, in 28 languages, is unrivaled in its breadth and depth.

Spanning both traditional and social media, our content set drills deep by region, industry and type. Factiva is the only archive service that offers the combination of licensed Dow Jones, News Corp and Reuters content, together in one place, and many key sources are not available on the free web.

Factiva content from the **Asia Pacific region** includes:

More than 4,600 active sources covering Asia, including Australia and New Zealand

- + 1500+ full-text licensed sources
- + 3,000+ websites and blogs
- + Most national newspapers
- + Most major business publications
- + Most major regional newspapers
- + Comprehensive newswire coverage
- + Broad collection of industry / trade publications
- + Archive of 20+ years for several key sources including:
 - Business Times Singapore
 - Jiji Press English News Service
 - South China Morning Post
